MEDIA RELEASE

AIRSPACE OPEN TO ALL COMMERCIAL AIRCRAFT

The Ministry of Defence wishes to refute the misinformation circulating on social media with respect to the closure of the local airspace and flights into and out of Trinidad and Tobago.

The Ministry of Defence under whose responsibility falls control of the airspace and territorial waters of Trinidad and Tobago wishes to assure the travelling public that Commercial Airlines both local, regional and international continue to operate flights into and out of our airspace without hindrance and will continue to do so.

Please be advised that the Ministry of Defence undertakes to assure the public that there will be official timely communication whenever the need arises.

The public should therefore ignore the fearmongering being created by politically aligned social media influencers whose agenda is to create chaos and instability.
